

Contractors Health and Safety Assessment Scheme

This accreditation serves to demonstrate the company (Billi) has adequate & approved knowledge of Health and Safety procedures for the work environment.

SafeContractor Approval

The SafeContractor certification highlights Billi's commitment to proper practise and safety in the Water Dispensing field.

WRAS Approval

The Water Regulations Approval Scheme is an independent UK certification body for plumbing products and materials, helping business and consumers choose compliant products that keep water safe.

NSF Approval

NSF's mission is to improve human and planet health. Businesses, regulators and consumers look to us to facilitate the development of public health standards and to provide services that help protect food, water, consumer products and the environment.
