

ERP Label

The energy efficiency label, (sometimes known as an ErP label), ensures that end users are aware of the efficiency levels of their products and can make educated choices.

UKCA Marking

UK Conformity Assessed (UKCA) marking is a conformity mark that indicates conformity with the applicable requirements for products sold within Great Britain.

SNIPEF Association

SNIPEF endeavours to instil and champion the highest standards of workmanship, ethical conduct, and customer service, setting an industry-leading benchmark.

Heating and Hotwater Industry Council

The Heating and Hotwater Industry Council (HHIC) is a member organisation committed to using their knowledge and expertise to define practical solutions for decarbonising heat & hot water in UK homes and businesses.

CE Marking

The letters 'CE' appear on many products traded on the extended Single Market in the European Economic Area (EEA). They signify that products sold in the EEA have been assessed to meet high safety, health, and environmental protection requirements.
