

ERP Label

The energy efficiency label, (sometimes known as an ErP label), ensures that end users are aware of the efficiency levels of their products and can make educated choices.

Nemko Group

The Nemko Group offers testing, inspection and certification services concerning products, machinery, installations and systems worldwide.

CE Marking

The letters 'CE' appear on many products traded on the extended Single Market in the European Economic Area (EEA). They signify that products sold in the EEA have been assessed to meet high safety, health, and environmental protection requirements.

Benchmark Collective Mark

Benchmark is a nationally recognised scheme that gives manufacturers and installers the responsibility for ensuring best practice for the installation, commissioning and servicing of domestic heating and hot water products, as per Building Regulations in England and Wales.

Kiwa Approved Products

Kiwa plays a leading role across the water industry by making the quality and safety of products visible in the marketplace.
