

## *Kiwa Approved Products*

Kiwa plays a leading role across the water industry by making the quality and safety of products visible in the marketplace.

## *Benchmark Collective Mark*

Benchmark is a nationally recognised scheme that gives manufacturers and installers the responsibility for ensuring best practice for the installation, commissioning and servicing of domestic heating and hot water products, as per Building Regulations in England and Wales.

## *CE Marking*

The letters 'CE' appear on many products traded on the extended Single Market in the European Economic Area (EEA). They signify that products sold in the EEA have been assessed to meet high safety, health, and environmental protection requirements.

## *Hot Water Association*

The Hot Water Association (HWA) is a member organisation committed to effectively promoting the concept and use of stored hot water in domestic and commercial buildings in the United Kingdom and Republic of Ireland.

## *UKCA Marking*

UK Conformity Assessed (UKCA) marking is a conformity mark that indicates conformity with the applicable requirements for products sold within Great Britain.
