

UKCA Marking

UK Conformity Assessed (UKCA) marking is a conformity mark that indicates conformity with the applicable requirements for products sold within Great Britain.

SKA Rating

The SKA rating is a Royal Institute of Chartered Surveyors (RICS) environmental assessment method, benchmark and standard for non-domestic fit outs.

Greenspec Certification

GreenSpec identifies and endorses green building products, systems and services using the PASS (Product Assessment Screening System).

CE Marking

The letters 'CE' appear on many products traded on the extended Single Market in the European Economic Area (EEA). They signify that products sold in the EEA have been assessed to meet high safety, health, and environmental protection requirements.

NSF Approval

NSF's mission is to improve human and planet health. Businesses, regulators and consumers look to us to facilitate the development of public health standards and to provide services that help protect food, water, consumer products and the environment.
