

## *ERP Label*

The energy efficiency label, (sometimes known as an ErP label), ensures that end users are aware of the efficiency levels of their products and can make educated choices.

## *UKCA Marking*

UK Conformity Assessed (UKCA) marking is a conformity mark that indicates conformity with the applicable requirements for products sold within Great Britain.

## *CE Marking*

The letters 'CE' appear on many products traded on the extended Single Market in the European Economic Area (EEA). They signify that products sold in the EEA have been assessed to meet high safety, health, and environmental protection requirements.
