

Electric Fires

Balmoral **ecolite** Electric Fire

Exuding efficiency and charm, Balmoral forms part of Valor's new Ecolite range of contemporary inset electric fires that is designed to offer the ultimate in electric heating. Complete with a top side switch control, Balmoral is easy to operate and a one piece moulded coalbed and kettle connection also aids installation. For the ultimate in heat and comfort, a concealed 2.0kW fan heater provides a choice of two heat settings and for full visual effect, the flame can be enjoyed independently of the heat. Whilst boasting 100% efficiency, running costs are minimised courtesy of integral 'Ecolite' energy efficient LED lights. To suit everyone's tastes, Balmoral is available in black, brass and contemporary chrome.
