

# Hand Dryer Data Sheet

This hand dryer data sheet is intended as a useful information source when purchasing a hand dryer and has been compiled by information provided by the respective hand dryer manufacturer. Where possible this information has been validated by Direct UK Deals Ltd although we cannot be held responsible for errors and omissions.

A full article describing how we arrive at all these statistics can be found in our advice centre at <http://electricaldealsdirect/advicecentre/>.

If you are in any doubt as to the suitability of a particular hand dryer for your environment, please do not hesitate to contact one of our hand dryer experts on 01934 253600 and we will be happy to discuss your requirements in detail.
