

## Features of the Range:

Polar Refrigeration's range Polar Pro consists of general purpose professional use refrigeration products.

Polar Pro is ideal for a wide variety of environments, from commercial kitchens and restaurants to delicatessens and coffee shops.

Features of the range include aluminium interiors, lockable doors, off cycle defrost and LED digital displays. These models provide a great value for money solution.

## Features and Benefits:

- Marble top ideal for dough and pizza bases
- Automatic defrost regularly defrosts the evaporator in a refrigerator or freezer saving time in a kitchen
- Fan assisted cooling, helps maintain consistent temperature
- The unit is compatible with a wide range of Gastronorm Pans
- Adjustable shelves

## Optional Extras

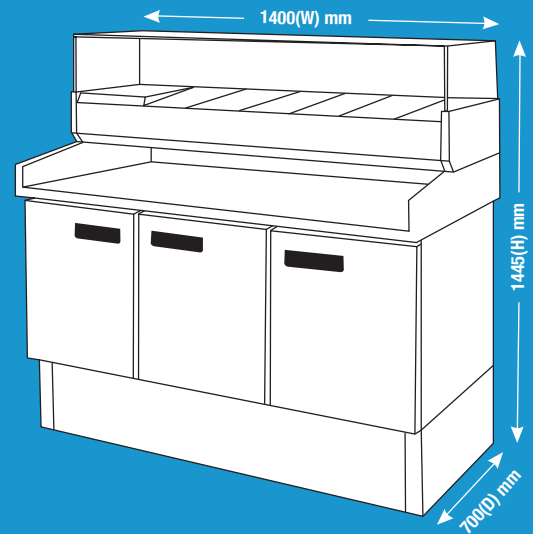

|                             |      |
|-----------------------------|------|
| Additional shelves          | Yes  |
| Additional runners          | Yes  |
| Seal Replacements Available | Yes  |
| Other Finishes Available    | None |

## Specification:

|                           |                        |
|---------------------------|------------------------|
| Code                      | CN267                  |
| Fridge Type               | Prep Counter           |
| Capacity                  | 308Ltr                 |
| Gastronorm Compatible     | Yes                    |
| Number of Shelves         | 3                      |
| Door Type                 | Solid                  |
| Internal Material         | Stainless Steel        |
| External Material         | Stainless Steel        |
| Temperature Range         | 2°C to 8°C             |
| Ambient Temperature Range | 5°C to 32°C            |
| Refrigerant               | R600a                  |
| Defrost System            | Off Cycle Fan Assisted |

## PRODUCT CODE

### Dimensions:

|                               |              |
|-------------------------------|--------------|
| Voltage/Power                 | 230V/50HZ    |
| Cooling System                | Fan Assisted |
| Insulation Thickness          | 35mm         |
| Weight                        | 170KG        |
| Rollers, Feet or Castors      | Feet         |
| Control Panel                 | Digital      |
| Noise Level                   | -            |
| Lockable                      | No           |
| Hinge Side                    | N/A          |
| Depth with Door Open          | 1085mm       |
| Energy Consumption (KWH/Year) | 1150         |
