SHORT SINGLE DOOR ELECTRIC PLATEWARMER

This unit is a handy under counter warming space for your stacked plates with this compact Parry Plate Warmer. Taking up only a slim footprint with the ability to still contain 90 stacked plates, this electric warmer would be ideal in tight or crowded kitchens lacking for foot room. With a maximum holding temperature of 80°C, temperature can be modified through the thermostat at the top of the unit.

Unpacked weight (kg)	29.5
Packed weight (kg)	49.5

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
