ELECTRIC GRIDDLE

Griddling is made easy with the UK manufactured Parry 3013 commercial high grade, solid, stainless steel griddle. The heavy duty stainless steel cooking plate is powerful and robust and more than strong enough to stand up to the rigours of day-to-day commercial use. With dual thermostat control and removable drainage drawer, the commercial griddle is user-friendly and simple to clean. The dual 3kw elements ensure that the griddler can easily cook burgers, eggs, bacon and other foods to perfection, time and time again.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.
