

Waffle Iron

---

## GES10

The GES10 Waffle Iron is specifically for “Brussels” pattern waffles. The cast iron plate features 2 grids 3 x 5 squares so can cook 2 waffles at a time. Using either a specific batter or pre-formed waffles the GES10 will produce great tasting waffles in just a couple of minutes. The elements are seated beneath both cooking plates giving rapid and even heat across the whole cooking area. The GES10 has a 4 sided drip tray making it suitable for use with fresh or frozen waffle dough and fresh batter mix.

Features: power on neon, surround drip tray, cast iron cooking plates, 300°c thermostat.

Accessories: waffle fork
