

Waffle Iron

---

## GES80

The GES80 Waffle Iron is specifically for stick waffles which are perfect for dipping into hot chocolate sauce, icing, decorations etc. The cast iron plate features 4 moulds ( 145 x 38mm ) allowing the GES80 to produce up to 4 great tasting stick waffles in just a couple of minutes. The elements are seated beneath both cooking plates giving rapid and even heat across the whole cooking area. The GES80 has a 4 sided drip tray making it suitable for use with fresh or frozen waffle dough and fresh batter mix.

Features: power on neon, surround drip tray, cast iron cooking plates, 300'c thermostat.
