

Griddles – Cast Iron

PSR600G

The PSR600G griddle is built around a sturdy steel plate giving a solid cooking platform for cooking burgers sausages bacon fried eggs etc. The smooth surface of the plate gives direct heat transfer to your food making the cooking process quicker and healthier. The stainless steel wall on the sides and rear of the plate gives a secure area to cook and hold your food. The two 6 point star burners are designed give even heat across the plate so there are no cold spots. Supplied ready for LPG with spare natural gas jets.

Features piezo ignition system; front drainage tray; low heat setting; two independent heating zones

Weight	32kg
Dimensions (mm)	600 x 475 x 230
Power	21,850 btu/h
Cooking Surface (mm)	600 x 400
Burner configuration	2 x 6 point star
Ignition	Piezo
