

The TOTO Blade. The quietest hand dryer in the world.

Where some hand dryers roar, the TOTO Blade prefers to whisper. Emitting as few as 54dB of sound while operating, the TOTO Blade is the quietest hand dryer in the world. Noise levels are around a quarter of those of competing dryers. The TOTO Blade does not disturb fine music or disrupt polite conversation. And you get the pleasure of Japanese engineering - combined with

Japanese hygiene standards.
