

# Aztec Maxi Combi

Our new Aztec Maxi Combi is the ultimate space saving solution and ideal where space is at a premium.

The Aztec Maxi Combi provides both heating and hot water, removing the need for a cylinder for hot water storage saving valuable space. This compact boiler requires no extensive pipework or flue kit.

Designed for installation in a utility room or airing cupboard or will sit flush with kitchen wall cabinets.

The Maxi Combi is fully controllable via supplied digital wireless programmer or via the internet using an app - on iOS devices search for 'My Smart Thermostat' in Apple Store for Android devices search for 'My Smart Thermostat' in Google Play.

Supplied with pressure reducing valve and isolation valve set.
