

Hand Dryer Data Sheet

Zebrillo Hands in Hand Dryer

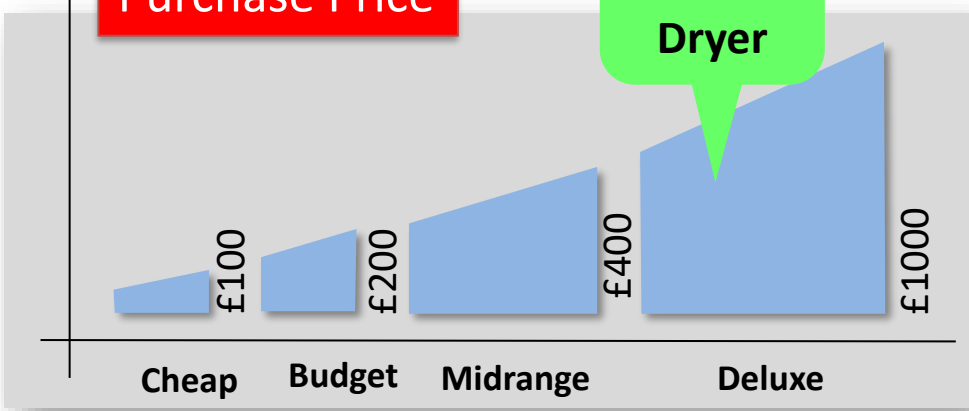

This hand dryer data sheet is intended as a useful information source when purchasing a hand dryer and has been compiled by information provided by the respective hand dryer manufacturer. Where possible this information has been validated by Direct UK Deals Ltd although we cannot be held responsible for errors and omissions.

A full article describing how we arrive at all these statistics can be found at <http://bit.ly/HDDataSheets>.

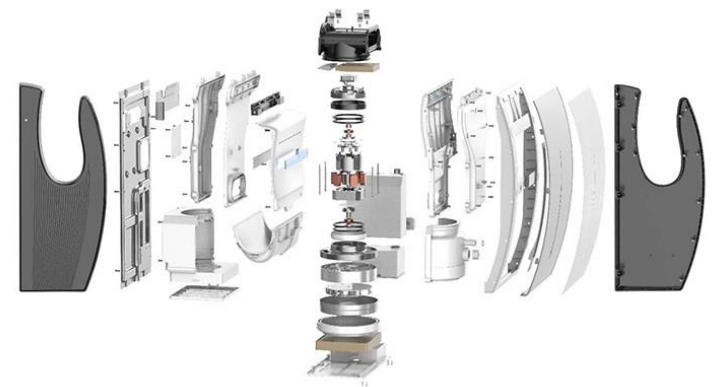

If you are in any doubt as to the suitability of a particular hand dryer for your environment, please do not hesitate to contact one of our hand dryer experts on 0208 1332 666 and we will be happy to discuss your requirements in detail.

The Zebrillo is a premium quality Hands In dryer, it's also the first stainless steel "hands in" dryer. It has a built in HEPA filter and UVC sterilisation lamp to ensure the air is as clean as possible! The stainless steel design provides a luxurious look in the washroom.
