

THE CROCODILLO EXECUTIVE WASHROOM HAND DRYER

Unique water collection tray stops water being blown onto floor and saves it for safe hygienic disposal

The Crocodillo hand dryer, is the ultimate ultra-fast executive hand drying system. Working on the same principle as the latest blade style hand dryers, the Crocodillo literally scrapes the water off of your hands with an ultra fast blade of air. Ideal for executive washrooms, up market cubicles or home use.

Recent major advances in hand dryer technology have given much more emphasis on high velocity air flow, minimising hand drying times and massively lowering energy consumption. This combination of benefits reduces the running costs by so much that in most normal circumstances the units will pay for themselves in under 1 year - now that's incredible!

The NEW Crocodillo hand dryer is an ultra fast hand dryer featuring a small wall 'footprint, contemporary design and offering exceptional ultra fast hand drying performances whilst saving energy.

THE CROCODILLO

Features:

- High ECO efficiency
- Ultra fast hand drying - about 12 seconds
- Very powerful airflow - 120 metres/second

- Low energy use
- Automatic operation
- Choice of white or silver

TECHNICAL SPECIFICATION

Operating Voltage	220-240 Vac, 50/60 Hz, 1.4 KW
Warm Air Speed Output	120 m/S
Motor Type	950W, Brush Type, Dual Ball Bearings
Motor Overload protection	Motor assembly designed with over current fuse, replaceable.
Heater Element	450W
Heater Thermal Protection	Auto Resetting Thermostat turns unit off at 85°C {185°F}; Thermal fuse cut unit off at 150°C {288F}
Drying Time	Less than 15 seconds
Circuit Operation	Infrared Automatic, self adjusting
Timing Protection	60 seconds auto shut off
Drip proof	IPX1
Isolation	CLASS 1
Net Weight	4.5 kg [9.0 lbs]
Unit Size	250 mm W x 235 mm H x 165 mm D
